Main Editor
(2022-present)

Who Killed Judge
Loya? | Nonfiction

Main Editor
(2020-2022)

The Homemaker |
Anthology

Main Editor
(2021)

I aim to enter the Indian publishing industry. This is why, so far, I have edited two books (and currently editing a third), coordinated a mini lit-fest, directed a tragedy at NCPA Mumbai, published papers at various journals and worked at a newspaper. None of this would have been possible without my resourcefulness and efficiency.
